Dear 4-Hers and Helpers,

This Project Record form is designed to help a young child record and recognize their accomplishments. Any help that a child receives from a parent, volunteer, or any other adult is a very positive addition to the project and the project record form as long as the child is encouraged to do as much as possible themselves. If needed, the writing can be dictated to the helper. If more space is needed, add extra sheets of paper. Good Luck!

Things I learned and did in my project:

Examples:

(For a foods project) Learned to measure dry ingredients; learned how to measure liquid ingredients

Lined area for writing, consisting of 19 horizontal lines.
